Maiden Mother, Meek and Mild

Maiden Mother, meek and mild,

Guard, O guard thy little child;

All my life, O let it be,

My best joy to think of thee.

When mine eyes are closed in sleep,

Through the night my slumbers keep;

Make my latest thought to be,

How to love thy Son and thee.

Maiden Mother, meek and mild,
Guard, O guard thy little child;
All my life, O let it be,
My best joy to think of thee.   And so, watch me through the day,
Oh to raise my heart and say,
Maiden Mother, meek and mild,
Guard, O guard thy little child.
