

### □ Hearing Aid

Two elderly women were eating breakfast in a restaurant one morning. Ethel noticed something funny about Mabel's ear and she said, "Mabel, do you know you've got a suppository in your left ear?" Mabel answered, 'I have a suppository in my ear?' She pulled it out and stared at it. Then she said, 'Ethel, I'm glad you saw this thing. Now I think I know where to find my hearing aid.'

### Pearl worth \$50,000

An elderly couple were on a cruise and it was really stormy. They were standing on the back of the boat watching the moon, when a wave came up and washed the old woman overboard. They searched for days and couldn't find her, so the captain sent the old man back to shore with the promise that he would notify him as soon as they found something. Three weeks went by and finally the old man got a fax from the boat. It read: 'Sir, sorry to inform you, we found your wife dead at the bottom of the ocean. We hauled her up to the deck and attached to her body was an oyster and in it was a pearl worth \$50,000 . Please advise.' The old man faxed back: 'Send me the pearl and re-bait the trap.'

### Amnesia

Two elderly ladies had been friends for many decades. Over the years they had shared all kinds of activities and adventures. Lately, their activities had been limited to meeting a few times a week to play cards.

One day they were playing cards when one looked at the other and said, 'Now don't get mad at me....I know we've been friends for a long time.....but I just can't think of your name! I've thought and thought, but I can't remember it. Please tell me what your name is.' Her friend glared at her. For at least three minutes she just stared and glared at her. Finally she said, 'How soon do you need to know?'
