## Ingredients

Quantity	Measure	Ingredients	Description
100	Grammes	Bacon	fry the sliced
2	units	Eggs	pour the egg
2	Tablespoon	Ghee	heat the ghee

## Method

In a frying pan heat the ghee, and then fry the sliced bacon. When the bacon has been fried on both sides well, pour the eggs into it and stir fry till well fried.

Alternately, after the bacon is fried, remove it from the pan into a plate, and then fry the eggs in the same pan. Serve both together with pepper and salt in the plate in which bacon was put.
