Put lid back on and shake the eggs in the pan. Then run the eggs under cold water and peel the eggs under cold water. The shell should fall off the eggs easily. Cool eggs and slice in half the long way.

Take the egg yolk out and put in a bowl. Place the egg whites on another plate.

Mix the egg yolk, onion, relish salt, pepper, mustard and mayonnaise in a bowl. When mixed well put back into the egg whites.

Optional:

Sprinkle with the cheese and paprika. Slice olives in half and put 1/2 olive on each egg.

Chill and serve.
