

All People of the Universe

Written by W.J.Pais

MP3 Listen - {audio}mp3/a42allpeople.mp3{/audio}

All peoples of the universe
Sing to the Lord with cheerful voice
Him loudly praise, and gladly serve
To His presence come with songs.

Know that the Lord is good indeed
HE made us, we belong to Him,
We, all on earth, His people are
The flock He tends, His sheep we are.

O enter then His gates with praise
These courts of His, approach with joy
Give thanks to Him who reigns on high
And bless His ever holy name.

To God the Father glory be
To Jesus Christ His Son our Lord
And to the Spirit source of Love
Give praise both now and ever more.
