Method

Cut the fish into two pieces. Head and tail.
Marinate fish in lemon juice and salt for 1 hour.

Drain extra moisture on absorbent paper or cloth after marinating time to make the fish dry.

Make a paste of the remaining spices and ingredients and beat to make it smooth, marinate

for second time all the pieces of fish for 2 hours.

Deep-fry the fish in oil till crisp.

Serve hot garnished with onion slices and lemon.
