**How beautiful on the mountain
Are the feet of bearing good news
Who herald peace and happiness
And proclaim that God is King
Who herald peace and happiness
And proclaim that God is King.**

- 1. Listen, your guards raise voices, they shout for joy together
They see Yahweh, face to face, as He returns to Zion...(chorus)**
- 2. The ruins of God's City, proclaim in thunderous voices
That God consoles his people, and comes to save His Holy Place...(chorus)**

- 3. God's mighty Holy Arm, is seen by all the Nations
Throughout the land, all will see the mighty saving hand of God....(chorus)**
