

## Flying With A Blonde

There were two blondes going to California for the summer, they are about two hours into the flight and the pilot gets on the intercom and says we just lost an engine but it is all right we have three more but it will take us an hour longer.

A half hour later he gets on the intercom again and says we just lost another engine but its all right we have two more it will take us another half hour though.

One of the blondes says, "If we lose the two last engines we will be up here all day"

## Signs You've Chosen a "No Frills" Airline

You can't board the plane unless you have the exact change.

Before you take off, the stewardess tells you to fasten your Velcro.

The Captain asks all the passengers to chip in a little for gas.

When they pull the steps away, the plane starts rocking.

The Captain yells at the ground crew to get the cows off the runway.

You ask the Captain how often their planes crash and he says, "Just once."

No movie. Don't need one. Your life keeps flashing before your eyes.
