## Method

Sift wheat flour and baking powder and mix well.

## Sponge Cake No. 1

Written by Poonam P	ais-Zaveri
---------------------	------------

Beat the yolks well to a cream. Then add sugar and butter and beat again.

Beat whites of eggs separately to a stiff froth and add together.

Add flour little at a time, when done, add Caraway seeds and one teaspoon of essence or sour line juice and mix well.

Pour in a tin with buttered paper and bake. About one kg cake.
