Bless now O heav'nly Father,
Your people gathering round You,
Before Your altar, bringing our gifts;
Bread for Your broken body,
Wine for Your blood which heals us,
And all the love Lord, of our poor hearts.

We your people, with full hearts we ask You,
O take our gifts Lord, and make them Yo--urs.

Bless now O heav'nly Father,
Your people gathered round You,
Here at this altar, offering our gifts;
Forgive our human folly,
Give strength in times of weakness,
Light for our journey, to bring us home.
