1

Softly, speak to me softly,
For I am here with you,
Hearing your every breath,
Feeling your heart beat in mine.
Softly, speak to me softly,
Tell me, what bothers you,
Dry your eyes my Child,
And tell me ever, so softly.

Softly and Gently

Written by Mr. Gerald Smith

Gently, I'll touch you gently,
For I am gentle of heart
I'll hold you in my arms,
And melt your fears away
Gently, I'll wash you gently
With water, from my side,
And fill you with my Spirit,
Softly, and ever so gently.
