(Psalm 36)

Chorus

Commit yourself to the Lord -(2)

Trust in Him and He will act

Commit yourself to the Lord

1. If you trust the Lord and do good

You will live with Him and be glad,

You will find delight in the Lord

HE will grant your heart's desire....(chorus)

2. He protects all upright people

Their heirs will never die

Their lives will see no evil

They will not be hungry again...(chorus)

3. Leave your evil ways and do good

Then you will have a sheltered life

For justice shall prevail

And His own He'll not forsake...(chorus)

4. The Lord will save the just ones,

He will be their strength in distress

He will help you deliver them

He will be their strength and refuge....(chorus)
