God says to us:

"I delight in you
I delight in you
From the moment I created you,
I delight in you."

Human Response:

1. When I awake each day at dawn,
I bless the day that I was born
And the blessings you gave to me
Reflecting your love.

I delight in you
I delight in you
From the moment you created me,
I delight in you.

God says to us:

"I delight in you
I delight in you
From the moment I created you,
I delight in you."

I Delight in You

Written by Mr. Gerald Smith

Human Response:

2. You have known me since time began
Carved me in the palm of your hand
Formed me in my mother's womb
delighting in me.

I delight in you
I delight in you
From the moment you created me,
I delight in you.
