Lyrics: Traditional

Music: Glenn Isaac. Voice Maria Genevieve

Lives brought together, / this holy day.  
A man and woman / tell the love God has made.  
The life they promise / will light our way.  
For love has been born this day.

Chorus:

**Lord, may your love be the melody we sing;  
Be the harmony we bring to our days,  
And the strength of our ways.  
We praise you, we thank you;  
We Thank you, We thank you,  
Glory Jesus Christ. We Thank you, We thank you,  
Glory Jesus Christ.**

Two come together; / they leave as one.  
They reap the harvest / of the seed God has sown.  
In time of sorrow / when night is long,  
The love of the Lord will stay. (Lord...)

Carry the treasure / to all of the poor.  
Give of the riches / of the love you have known.  
The world is hungry / for what you've known,  
The love of our God, this day. (Lord...)
