

When the sun has set

Written by W.J.Pais

When the sun has set, and the night is on
When the darkness falls
and the light has gone
You be my light O Lord
and lead me on (2)

When the sun has set, and the night is on
When the darkness falls and the light has gone
You be my light O Lord and lead me on (2)

When I'm growing weak
and my steps are slow
When the hopes are bleak
and I've strength no more
You b e my strength O Lord
and lead me on (2)
